A - 2 5

To: Museum Boards of directors

From: John Smith, the university student

Theme: ~~Atten~~ The attendance of museums and galleries

~~Purpose~~ Purpose

The aim of this report is to analyze ~~the data which presents~~ the number of visitors attendⁱⁿ national museums and galleries in England and to give recommendations ~~on the increase~~.

Summary

These days the rate of people ^{visit}ing museums is slowly increases slowly but surely. This is illustrated by the fact that about 47 mln visitors attend museums in 2017, which is almost 122% of 2013 year visitors. In contrast, there is a high dropⁱⁿ of the Natural History and Science museums attendance. It seems to be caused by the introduction of admission charges.

Comparisons

~~Actu~~In fact, the number of visitors ^{is} grows constantly, but there is ~~a~~ the speed of speed of such growth is not accelerate. It is ~~ind~~ indicated by the fact that three in five substantial museums have get about 5 millions of new visitors in 2015, while in 2017 there were ~~only~~ 15 millions of additional ~~ten~~ visitors. Moreover, there are differences between the museums that make vis tourists pay an admission fee. I mean that ~~it~~ about 2 millions of visitors have been left the Natural History Museum. At the same time, 2.5 millions have been ^{refused} stopped of visiting the Science Museum ^{respectively} compare to 2013.

Recommendations

As far as you can see, there are some drawbacks in the visiting numbers. Consequently, there might be simple improvements, which ~~can be made~~ to increase the people's

аноним на

~~attendance of Science, History and Art exhibitions.~~
charges should be made lower as it can let more people ~~to~~ come into ~~the~~ museum's world. Moreover, Furthermore, ~~the~~ I find that new artefacts exhibited in ~~the~~ museums may grab people's attention. As a consequence, I strongly recommend to ~~to~~ give money to archeological and ~~pre-historic~~ research organisations.

Conclusion

All things considered, the number of ~~English national museums~~ ^{museum's} and galleries' visitors) continue to ~~grow~~ draw on. Although, there are some problems that shouldn't be ignored.
