Saint-Petersbourg - the place where
traditions cross with innovations.

1. Where to go?

When it comes to question: "Which city to visit?", people, who are going on travel to Russia are usually puzzled, as nobody can come with an obsolete answer. If you can't think of the place, go to the Saint-Petersbourg!

2. Why Saint-Petersbourg?

Established in 1703, as people call it: "North Venice", Saint-Petersbourg had always been a place of cross-cultural experience. Furthermore, due to the efforts made during these fifty years, the list of activities to do there has significantly increased. A great variety of breath-taking places, such as the Hermitage and the Russian Museum, have extended their collection of priceless art pieces and now are attracting even more tourists from all over the world. Along with the ticket, you'll also get a smart tab with an exclusive museum software, which will guide you through the halls of the human history. After such an intensive sightseeing, there is nothing better than to eat somewhere. Luckily, there all kinds of cuisines here you can even imagine. Everything is mechanised, so people only work where robots aren't capable of doing so. Education is home-integrated, so lectures are free to visit! Rent an eco-friendly vehicle and make your way through the mazes of Saint-Petersbourg.

3. Is it worth it?

Absolutely! You will have an unforgettable experience and want to come back again to Saint-Petersbourg, where traditions cross with innovations.
