The city of your desires!

1. Quick history
2. Places to visit
3. Notable residents

1.

The city of Vsevolozhsk was built in the middle of 19th century as a place for duke Vsevolozhskiy to hunt and spend his free time. Through the decades, it was a small town with poor infrastructure and lack of natural resources right until the year 2030. With the discovery of oil and plenty of other natural resources more and more people started to move ~~there~~ there. Most people came from abroad, but they easily integrated into the Russian society. The population of Vsevolozhsk nowadays is ¹⁰⁰ more than 6 million.

2. Since the "Great Discovery" and increase in population the city had to let go of outdated buildings. With that in mind, Vsevolozhsk has a lot of historical places to visit. You can stroll down a street in the old town, or walk in the Prudnikov parks. Some of the more modern places include the Vsevolozhsk-city, Main Bank, countless 5 star hotels and The University of Software and Engineering where the first man produced electric flying vehicle, which led go of the obsolete petrol cars, was created

3. Notable residents of the city include the author ²⁰⁰ of many bestsellers Lyudmila K. and

the creator of the first time machine
Doctor J. Cuber.
